THE FOYLE FOUNDATION

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 DECEMBER 2016

The Trustees present their Report and Financial Statements of the Foundation for the year ended 31 December 2016 and confirm that they comply with current statutory requirements and the requirements of the Foundation's governing documents.

History and Legal Status

The Foundation was formed to implement the charitable provisions of the will of the late Mrs C A L Batty who died on 8 June 1999. The Foundation is a charity constituted as a company limited by guarantee and its governing documents are its Memorandum and Articles of Association. The Foundation's full name, address, company and charity numbers and addresses of its auditors, bankers, legal advisers, investment and property managers are shown on pages 1 to 3.

Governance and Management

The Board of Trustees during the year under review and up to the date of this report were:

Michael Smith
Sir Peter Duffell
Roy Amlot, QC
James Komer

New trustees are appointed by the Board, based upon the skills and experience required to manage the Foundation. An Induction Pack for new trustees has been devised by the Chairman and Chief Executive of the Foundation. New trustees receive this Induction Pack and then attend a briefing meeting with the Chief Executive before attending their first Board meeting. Ongoing training for trustees is arranged on an ad-hoc basis as a need is identified.

The Foundation operates independently of any other charity or organisation and is managed from premises in Rugby Street, London, WC1. The Trustees are directly responsible for the management of the Foundation and meet six to seven times per year to approve grants, review policy, supervise investment performance and other matters. An annual strategic review also takes place. The Foundation's day-to-day business is conducted by the Chief Executive under the supervision of the Chairman. A core staff team of five assist the Chief Executive in the administration of the Foundation. Applications are scrutinised by the Chief Executive who reports and makes recommendations to the Trustees for their approval.

Setting Pay

The Board of Trustees reviews the salary of the CEO annually. The Chairman informs the CEO of the Board decision regarding remuneration. All staff salaries are also reviewed annually with changes recommended by the CEO. The Board discuss these recommendations and make decisions which the CEO communicates to the individual staff members. As part of its performance review, the Board considers awarding annual staff bonuses on a discretionary basis.

Grant Making Objectives and Activities

The Foundation's objects are the promotion of such charitable purposes as the Trustees may determine from time to time, in accordance with the laws of England and Wales. There are no specific restrictions imposed on the Trustees as to how they may implement the objectives of the Foundation.

The Trustees' policy for the year ended 31 December 2016 is to support charities registered in the United Kingdom. State-funded secondary and primary schools are eligible but applications from individuals and unregistered organisations will generally not be supported.

THE FOYLE FOUNDATION

REPORT OF THE TRUSTEES (continued)

FOR THE YEAR ENDED 31 DECEMBER 2016

Grant Making Objectives and Activities (continued)

Apart from large capital project applications which are now considered by the Trustees twice per year, it is aimed to process all other applications within four months of being received.

The Foundation's grant-making policy is as follows. The Main Grants Scheme supports charities operating in the Arts and Learning sectors which meet the criteria for support as described in the Guidelines for Applicants. Grants awarded range from £10,000 to a maximum of £500,000, with the majority of grants awarded being below £50,000. Within the Learning remit, The Foyle School Libraries Programme is a major initiative designed to support primary Schools, in the main, to improve reading ability and literacy. Grants awarded are between £3,000 and £10,000 per School. In addition the Foundation operates a Small Grants Scheme which awards core funding grants between £1,000 and £10,000 to small and local charities.

Public Benefit

The Foundation exists and operates for public benefit. Our grant making programme benefits UK registered charities enabling them to carry out their work for public benefit. All Trustees give their time voluntarily and receive no benefits from the charity. Any expenses reclaimed from the charity are set out in note 8 to the accounts.

The open grants programme is designed to be responsive to the direct needs of charities and their beneficiaries and to help make a difference to their work. The Foundation takes pride in funding activities which experience difficulty in attracting support or where there are few other sources of funding. Generally, in carrying out the work of the Foundation, the Trustees have paid regard to the guidance on public benefit published by the Charity Commission.

Arts

The Foundation seeks applications that make a strong case for support in either the performing or visual arts. Our aims are to sustain and help make the arts more accessible by developing new audiences, projects for young people, supporting tours, festivals and arts educational projects, to encourage new work and support young emerging artists. Building and infrastructure projects to construct new arts facilities and to improve or re-equip existing venues are also considered. However, community arts activity is not generally supported.

Learning

The Foundation's main areas for support are: libraries, museums, archives and special educational needs. State funded Schools and special Schools are supported, principally but not exclusively, through the Foyle School Libraries Programme which is a major programme to support improved literacy. Citizenship, esteem building, training, skills acquisition to aid employment, early learning projects or playgroups are not generally considered.

Small Grants Scheme

This supports smaller charities in the UK, especially those working at local community level in any field, across a wide range of activities. Grants are awarded to charities with an annual turnover of less than £100,000 per annum which can demonstrate that a small grant will make a difference to their work.

Achievements and Performance

Within the Main Grants Scheme 428 new grant applications were received during the year. In addition, there were 417 School Library applications and 548 Small Grants Scheme applications. 222 applications were brought forward from the previous year and 205 applications were carried forward at the end of the year to be presented at the next Board meeting.

The Trustees met 5 times during the year to consider grant applications. The Trustees approved 162 new Main grants, 174 school library and 188 Small Grants totalling £8,863,530 in value, some of which will not be paid out until following financial years. A total of 516 grant payments were made amounting to £8,275,700. Of the grants paid out 109 were Arts related totalling £3,758,000; there were 60 Learning related totalling £2,984,300 and 158 School Library grants totalling £777,100, and 189 were Small Grants totalling £756,300. Details of all grants paid out are listed on the Foundation's

THE FOYLE FOUNDATION

REPORT OF THE TRUSTEES (continued)

FOR THE YEAR ENDED 31 DECEMBER 2016

Achievements and Performance (continued)

website. The Foundation has made financial commitments to support a number of organisations in the future subject to terms and conditions being met (see note 19).

The number of grant applications from the English regions, Scotland, Wales and Northern Ireland continued to increase and consequently the amount in grants to these areas has also increased.

Financial Review

During the year the Foundation generated total income of £2,777,329 compared to £2,686,278 at 31 December 2015.

Total expenditure was £9,524,748 (2015: £8,611,754) and 93% (2015: 92%) was spent directly on charitable activities.

Investment income increased to £1,711,320 compared to £1,506,849 in 2015.

The net movement on funds of the Charity after gains/ (losses) on investments was an increase of £3,235,495 (2015: decrease of £2,609,863) with the result that the Charity's funds at 31 December 2016 amounted to £83,174,362 (2015: £79,938,867).

Investment Policy and Performance

The assets of the Foundation comprise a substantial property portfolio, quoted investments and cash, all of which are professionally managed by specialist advisers on behalf of the Trustees, who also receive asset allocation advice from Cambridge Associates Limited. No fund-raising activities have been undertaken, nor are any anticipated. Overall funds increased in the year from £79.94m to £83.17m, owing to increases in quoted investments and property values during the period.

Reserves Policy

The assets that make up the Foundation's funds are unrestricted and accordingly they are also available as the general reserves. In addition to careful planning of the cash flow, so as to meet both grant commitments payable in the year and the administration expenditure from the agreed budget, the Foundation maintains a replenishing cash reserve of up to £6m to cover anticipated grant commitments over a 12 month rolling period. As at 31 December 2016 the charity has financial commitments in relation to grants totalling £5,650,000 to be paid between 2017 and 2019.

Risk Assessment

The Trustees have considered the risks faced by the Foundation and have put in place monitoring systems to manage them. In addition, the Chief Executive undertakes an annual in depth risk assessment exercise for consideration of the Trustees following which the Foundation amends the systems as necessary.

The principal risks considered are:

- Security
- Employment issues
- IT and Disaster recovery
- Grants Management
- Financial Risk
- Budgetary Control
- Fraud

THE FOYLE FOUNDATION

REPORT OF THE TRUSTEES (continued)

FOR THE YEAR ENDED 31 DECEMBER 2016

Plans for the Future

The Foundation's objectives are to support charitable activities across the UK. The Foundation intends to continue to reduce further its directly owned residential and commercial property portfolio as market conditions allow. This will enable additional asset diversification to take place, with emphasis being placed on increasing overseas equity investments. In furtherance of its objects the Foundation intends to increase its grants budget to £8.5m in 2017 from £8.25m the previous year.

The Foundation plans also to appoint an additional Trustee within the next 12 months.

Statement of Trustees' Responsibilities

Charity law requires the Trustees to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Foundation and of its income and expenditure for the financial year. In preparing those Financial Statements the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the principles and methods of the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on a going concern basis unless it is inappropriate to assume that the charity will continue in operation;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the accounts.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Foundation and which enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of Disclosure to Auditor

- a) So far as the Trustees are aware, there is no relevant audit information of which the Foundation's auditors are unaware, and
- b) The Trustees have taken all the steps they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that the Foundation's auditors are aware of that information.

Auditors

Mazars LLP will be proposed for re-appointment in accordance with Section 487(2) of the Companies Act 2006.

ON BEHALF OF THE BOARD

Michael Smith - Chairman of the Board

Dated: 21 September 2017

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF
THE FOYLE FOUNDATION**

We have audited the financial statements of The Foyle Foundation for the year ended 31 December 2016 which comprise the Statement of Financial Activities, the Balance Sheet, the statement of Cash Flows and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland."

Respective responsibilities of trustees and auditors

As explained more fully in the Trustees' Responsibilities Statement set out on page 7, the trustees (who are also the directors of the charity for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors. This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body for our audit work, for this report, or for the opinions we have formed.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's web-site at www.frc.org.uk/auditscopeukprivate.

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2016 and of its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees..

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

THE FOYLE FOUNDATION

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 DECEMBER 2016

1. ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of financial statements is as follows:

a. Basis of Accounting

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Foyle Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

b. Company status

The charity is a company limited by guarantee. For the year under review, the members of the company were Michael Smith, Sir Peter Duffell, Roy Amlot, and James Korner. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member.

c. Preparation of the accounts on a going concern basis

Having considered future budgets and cash flows, the trustees confirm that they have no material uncertainties about the entity's ability to continue as a going concern for the foreseeable future. With respect to the next reporting period, the most significant areas of uncertainty that affect the carrying value of assets held by the charity are the level of investment return and the performance of investment markets.

d. Tangible fixed assets

Expenditure on tangible assets of an enduring nature in excess of £1,000 is capitalised.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Leasehold improvements	-	over two years
Office furniture and equipment	-	25% on reducing balance
Computer equipment	-	25% on reducing balance

e. Investment properties

Investment properties are included at market value as disclosed under Note 11. The properties are valued annually. The SOFA includes the net gains and losses arising on revaluations and disposals in the year.

f. Investments

Investments are stated at market value at the balance sheet date. The SOFA includes the net gains and losses arising on revaluations and disposals throughout the year.

g. Funds

The different funds are defined as follows:

Unrestricted funds are those funds available to the charity for its general purposes.

It is the policy of the trustees to retain in unrestricted funds, amounts which in their judgement, can help to mitigate the short term effects of income volatility and retain funds to generate sufficient income to meet current and future operational activities of the charity.

THE FOYLE FOUNDATION

NOTES TO THE ACCOUNTS (continued)

FOR THE YEAR ENDED 31 DECEMBER 2016

1. ACCOUNTING POLICIES (continued)

h. Income recognition

This comprises investment and other income. All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income can be measured reliably.

Investment income is credited to income when it is receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

i. Expenditure

Liabilities are recognised as expenditure as soon as there is legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of obligation can be measured reliably.

Expenditure is recognised on an accruals basis as a liability is incurred, inclusive of VAT, which cannot be recovered.

Charitable activities comprise mainly of the provision of grants given for the purposes of arts, education and as part of the small grants scheme. Grants payable are payments made to third parties in the furtherance of the charitable objects of the charity. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the grant. Grants awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside the control of the charity.

Support costs have been allocated to charitable activities. Governance activities comprise organisational administration and compliance with constitutional and statutory requirements. Costs include direct costs of external audit, legal fees and other professional advice.

j. Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

k. VAT

The charity is registered for VAT but is unable to reclaim all of the input tax incurred. Irrecoverable VAT is charged to the expenditure heading for which it was incurred.

l. Investment gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and the opening market value (or purchased date if later).

m. Pension Scheme

Pension payments are made directly to the employees' personnel pension plan.

n. Finance leases

Assets obtained under finance leases are capitalised as tangible fixed assets. These assets are depreciated over the shorter of the lease term and their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charges allocated to future periods. The finance element of the rental payment is charged to the Statement of Financial Activities so as to produce a constant periodic rate of charge on the net obligations outstanding in each period.

THE FOYLE FOUNDATION

NOTES TO THE ACCOUNTS (continued)

FOR THE YEAR ENDED 31 DECEMBER 2016

1. ACCOUNTING POLICIES (continued)

o. Cash at bank and in hand

Cash at bank and in hand includes bank accounts, cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

p. Debtors

Other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

q. Significant judgments and sources estimation uncertainty

In the view of the trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.

r. Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2. INVESTMENT INCOME AND INTEREST

	2016 £	2015 £
Income from quoted investments	1,709,684	1,503,044
